EDUCATION

Bachelor of Science – Mechanical Engineering, Arizona State University, 2019
Bachelor of Science – Kinesiology, Arizona State University, 2012

EXPERIENCE

Mr. Saint-Amour has over five years of experience in the areas of mechanical design, 3D modeling, finite element analysis, biomechanics, physiology and exercise psychology.

Mr. Saint-Amour holds accreditation in traffic accident reconstruction through the Accreditation Commission for Traffic Accident Reconstruction (ACTAR). He also has continuing education in accident reconstruction with certifications through the Society of Automotive Engineers and the Collision Safety Institute. He is experienced in vehicle event data recording imaging *via* the Bosch Crash Data Retrieval tool.

Mr. Saint-Amour has experience with the investigations and inspections of fire scenes and automotive accident scenes, and remains educated through the International Association of Arson Investigators with coursework pertaining to electrical safety, arc mapping and motor vehicle fire investigations. Mr. Saint-Amour is an FAA Part 107 licensed drone pilot. He also has experience with industrial equipment commissioning.

EXPERIENCE HISTORY

2019 - Augspurger Komm Engineering, Inc., Engineering Consultant
2017 - 2019 Augspurger Komm Engineering, Inc., Engineering Intern
2011 - 2019 City of Tempe, Aquatics Assistant Manager
2012 - 2014 Spooner Physical Therapy, Physical Therapy Technician
2012 - 2013 SpineScottsdale Physical Therapy, Physical Therapy Technician

PROFESSIONAL REGISTRATION

ACTAR Accredited, #3867
National Association of Fire Investigators, Certified Fire and Explosion Investigator, #26269-15308
State of Arizona Engineer-in-Training #013006

PROFESSIONAL AFFILIATIONS

Southwestern Association of Technical Investigators (SATAI)
International Association of Arson Investigators (MIAAI), Member 2022
ASTM International (ASTM), Member 2022
National Association of Fire Investigators (NAFI), Member 2021
Society of Automotive Engineers (SAE)
Experimental Aircraft Association (EAA)

CERTIFICATIONS/LICENSES

IAAI – Fire Investigation Technician, February 7, 2022
FAA sUAS Remote Pilot - Certification #4292581, July 29, 2019
Collision Safety Institute - CDR System Operator, June 28, 2019
Collision Safety Institute - Crash Data Retrieval Specialist, May 30, 2019

CONTINUING EDUCATION

Electrical Aspects of Fire Investigation and Lithium-Ion Battery Fires, Phoenix, AZ, June 12, 2023
Southwestern Association of Technical Accident Investigators (SATAI) Spring Training Conference, Glendale, AZ, March 2-4, 2023
National Association Fire Investigation (NAFI)
NAFI Training Program, New Orleans, LA, July 18-21, 2022
Vehicle Fire Investigation Training Program, Lexington, KY, September 27–30, 2021
GoEngineer Solidworks Simulation, Connections, February 25, 2020
SAE International, Vehicle Crash Reconstruction, Principles & Technology, April 24 & 30, 2019
NASP Webinar: Climbing to the Top of Your WC Scaffolding Subrogation Case w/Success, July 10, 2018
International Association of Arson Investigators (IAAI)
NFPA 1033 and Your Career, January 17, 2022
The Scientific Method for Fire and Explosion Investigation, January 17, 2022
The Practical Application of the Relationship Between NFPA 1033 and NFPA 921, January 17, 2022
Documenting the Event, January 14, 2022
Ethics and the Fire Investigator, January 14, 2022
Arc Mapping Basics, September 4, 2020
Electrical Safety, July 23, 2020
Residential Electrical Systems, June 3, 2020
Basic Electricity, May 19, 2020
Motor Vehicle Fire Investigation, 3-Day, Newport Beach, CA, January 22-24, 2019
Investigating Motor Vehicle Fires, January 9, 2019
Motor Vehicles, Transmission, Exhaust, Brake and Accessory Systems, January 2, 2019
Motor Vehicles, The Engine and The Ignition, Electrical and Fuel Systems, January 2, 2019
Collision Safety Institute (CSI)
Crash Data Retrieval Analyst, Poway, CA, June 23-28, 2019
Crash Data Retrieval Technician, Las Vegas, NV, May 30, 2019
