EDUCATION

Diploma In Chassis /Custom Fabrication, High-Performance Engines, Street Rod, And Collision Refinishing Technology, 2021

EXPERIENCE

Mr. Sowder is a highly versatile technical specialist with a comprehensive mastery of diverse trades, including precision woodworking, structural and finish carpentry, masonry and concrete, and advanced metal fabrication (welding, milling, lathe operation, including custom part manufacturing).

His experience includes the disassembly and assembly of complex mechanical systems, and functional diagnostics, founded in an understanding of component interactions, mechanism functionality, and wear patterns. He is also proficient in the following building systems: plumbing, electrical, roofing, siding, fenestrations, HVAC systems, cabinetry, appliance installation and repair.

Mr. Sowder brings a non-engineering-based perspective to many of AKE's projects, that is highly complementary and practicable.

EXPERIENCE HISTORY

2025 – Present Augspurger Komm Engineering, Inc., Phoenix, AZ
2011 – 2025 Beyond Design Works LLC, Phoenix, AZ

CERTIFICATIONS AND TRAINING

Certified Welding Inspector (CWI) 26011581
